

List some 'What if?' scenarios.

Select your favourite and turn into a story. Try to include all of the things that we have taught you so far (speech marks, adverbial openers, a range of conjunctions, personification, alternative nouns, etc).

Remember to edit your story. You may wish to write on every third line (like we did in Writing Week) to help you with this.

'WHAT IF?'

How many 'what if' scenarios can you think of? Let your imagination run free and try to write as many as you can below...

WHAT IF my house disappeared?

WHAT IF I woke up and it was 100 years in the future?

WHAT IF all my dreams came true?

WHAT IF trains were never invented?
