

Instructions for Using the White Rose Home Learning Maths Website

- Open the Year 3 Maths Home Learning PDF from FCJA's website
- Do this for the week you are on
- Click on the link at the top of the page
- This will take you to the White Rose Maths Home Learning Website
- It will automatically take you to the right year group
- At the top of this page there is a list of weeks
- Click on the week that has the right date on it for week commencing
- This will then give you a series of lessons listed below this week
- For each lesson you will need to click on the link for that lesson to download the activity
- When you have completed the activity for that lesson you can then download the answers by clicking on the link
- Work your way through all the lessons for that week
- We recommend you do one lesson a day
- If your child is finding the work too hard then you could try dropping down a year group to year two and completing those lessons
- If your child is finding the work too easy or needs to be challenged more, then you can go up a year group to year 4
- To access different year groups work use the blue tab on the right hand side of the page
